TERMS & CONDITIONS

Fax. 800-727-3151

For the rest of this document Aspire Aesthetic S.L. will be referred to as, us, we, or 'Aspire'. The buying customer (i.e. the medical doctor (MD), registered nurse (RN), or their elected representatives) will be referred to as you, they, or the 'client'.

Our Service Guarantee

All Aspire orders are shipped via our registered and licensed pharmacy partners in the UK and should arrive promptly and in perfect condition. We only work with registered pharmacies who supply original branded medications sourced from major international pharmaceutical manufacturers and who always follow, or exceed, any shipping requirements.

First Order Details

Before we are able to ship your first order you will need to provide us with the MD or RN's name, the business name, invoicing address, and delivery location if different. This form will need to be signed by the medical professional, and where appropriate the additional person within business who has financial responsibility. Our pharmacy partners can only ship products to licensed medical professionals and to recognised medical facilities.

Delivery Terms

All deliveries should be received within 4-5 working days of the order being placed (if this will not be the case it will be confirmed at point of order or the earliest opportunity).

Tracking Number

All Aspire orders will be shipped with a tracking number; this will be available to Aspire, thus the client, within 24 hours of our order being dispatched.

Delivery Inspection Upon Receipt

It is essential that the 'client' checks all deliveries and highlights any issues to Aspire within 48 hours of receipt. Please check all deliveries to confirm that:

- All products are exactly what you ordered (i.e. product, size, vial or pre-filled syringe, etc) and in perfect condition.
- All products are the original branded medications with any safety-seals untouched and in perfect condition.
- The products have been shipped in accordance with manufacturer's advice.

Returns, Faulty or Damaged Product Policy

Aspire will offer a full refund for any products returned unopened and undamaged within 14 days for any reason. We will replace any product that is faulty or damaged if you provide full details of the issue, including pictures where possible, always including the original Aspire invoice number and the lott and batch number from the side of the product.

Third Party Payment and Sale

By working with Aspire you are agreeing that we can share your payment details with our pharmacy partners. All payments are taken by our pharmacy partner in full via credit card before any products will be shipped. You are agreeing to work with our pharmacy partner and ultimately the transaction is between you and the pharmacy with us acting as a broker. Aspire are unable to refund any extra fees for international payments that are added by your credit card provider so please check with them before placing your order.

Disclaimer

Aspire can guarantee that all products are legally shipped via our pharmacy partners but please check your local, state, and national regulation to ensure your purchase complies with your specific import regulations. You are the importer of the shipment. Aspire reserves the right to refuse to work with who appear to be doing anything illegal or unsafe.

Privacy Policy

Aspire does not share customer details with any third parties not mentioned.

Trademarks

All registered trademarks not owned by Aspire which are used on our website or marketing literature are the property of their respective owners. The owners of these trademarks do not sponsor, endorse or are in any way affiliated with Aspire. All products supplied through Aspire are original branded products.

Good Distribution Practices

These Terms and Conditions are in accordance with the Technical Agreement defining the Good Distribution Practice (GDP) from our regulatory authority (MHRA).
